

TEEN NIGHT

A Program for Youth with Special Needs

Our social night program offers youth a chance to hang out, socialize, and meet new friends! The goal of the program is to increase independence, practice taking public transit, increase community participation, and most importantly, have fun!

Our Social Night program is for participants who are able to be supported in a group setting. If your child requires additional support and would like to participate, please contact us and we can arrange to best support you and your child's needs.

Where: McKernan Centre 11341 - 78 Avenue NW
When: 5:30 p.m. – 9:30 p.m.
Age: 13-17 years

How Do I Register?

Register by completing the online registration form or fillable PDF. Available on our website: www.adaptabilities.ca. For additional information, contact the office at (780) 431-8446.
