Welcome to AdaptAbilities, Where We Create Success for Life

AdaptAbilities supports individuals with special needs and their families by providing essential, high-quality respite care. Respite is not a luxury, but rather essential for a family's well-being. We provide purposeful support, guiding individuals to develop life skills and thrive in their community.

ABOUT THE EVENT

This special evening allows AdaptAbilities families to relax and rejuvenate during this busy holiday season.

Families supporting a child with special needs have a higher risk of experiencing caregiver burnout. AdaptAbilities strives to protect and enhance the family unit by providing an evening of self-indulgence for families, and free respite care for individuals.

YOUR MONEY WILL:

Support families and individuals who need time to care for themselves.

Expand programming to bring Respite Care across Edmonton.
