Assumption of Risk

On behalf of _____, as a parent/guardian, I _____ understand that there are risks/dangers, which are inherent to each specific activity provided by Alberta AdaptAbilities Association. These risks include, but are not limited to, the loss of personal property, the possibility of physical injury to them and other participants, such as muscle strain, broken bone(s), concussion, soft tissue damage, infectious disease, etc. including the possible risk of severe or fatal injury.

Alberta AdaptAbilities Association strives to provide awareness of risks associated with each of the programs/activities it offers. As a parent/guardian, I understand that it is my responsibility to ascertain if there are any health conditions which make it inadvisable for participation in an Alberta AdaptAbilities Association program. I also understand that I am responsible for any medical treatment or costs which may occur because of their participation.

I, the parent/guardian remise, release, and forever discharge Alberta AdaptAbilities Association, its heirs, successors, executives, administrators, directors, officers, employees, insurers, agents, and assigns of and from any and all manner of actions, causes of action, suits, debts, costs, claims, damages, whatsoever arising out of or in consequence of any loss, injury or damage of any kind sustained by child/adult in an Alberta AdaptAbilities Association program. In the event of an accident, I give permission for qualified Alberta AdaptAbilities Association staff to administer first aid and/or CPR, and/or accompany them in ambulance.

I understand that I will be responsible for the cost, in full, of any transportation, to and from the hospital or location of treatment, including but not limited to ambulance transportation.

I understand that I or another emergency contact must be available to pick up the person named above immediately at any time during an AdaptAbilities program due to emergency situations, sickness, or behaviors.

I acknowledge that I have read and understood this agreement. I understand, appreciate, and accept the risks associated with the participation in an Alberta AdaptAbilities Association program. As the parent/guardian, I consent for them to participate in Alberta AdaptAbilities Association programs from:

On behalf of _____, as a parent/guardian, I _____ understand that there are risks/dangers, when accessing community and participating in field trips.

Alberta AdaptAbilities Association wants to ensure a well-rounded experience for all, and focuses on the *development of the whole individual, physically, socially, mentally and emotionally within a safe and caring environment.*

To achieve the development of the whole person, Alberta AdaptAbilities Association utilizes as many resources within our community as possible to provide the best experience; thus, programs may include accessing the community and/or taking part in field trips. Transportation may be accessed through the use of the Edmonton Transit System (ETS), a cab company, chartered transportation, and/or the personal vehicle of an AdaptAbilities employee. Walking trips may also occur.

By signing this form, you are stating that you understand and accept the risks as outlined in the *Assumption of Risk* form previously completed. Alberta AdaptAbilities Association, its programs, and its employees make every effort to ensure everyone's safety while they attend any program held by Alberta AdaptAbilities Association. Accessing the community provides the opportunity to be a "part of" rather than just "in" community, which reinforces one to be a contributing member of their community.
